Boat Pricing

Recently we have broken down our pricing for boats so that our customers only pay for what they get. Below, we have listed our 'generic' specifications and the applicable price.

Each of these prices are for the boat and options as listed and would be confirmed with a production quotation on receipt of a completed Specification Sheet.

If you need any assistance, or have further queries, please do not hesitate to contact our office.

Honeycomb Carbon Construction - The ultimate in rowing shell construction
- Five year warranty
- Sealed bulkheads for flotation
- Built on or as close to FISA minimum weight
- Fitted with specified riggers, extra riggers and configurations also available
- Fitted with carbon foot stretchers and New Wave Rowng shoes
- Fitted with carbon single action (bearing wheel) seats.
